Payment Drop Box is available in front of City Hall, 242 Hwy 30 E.

Message from the City Administrator

As a young man in my twenties, I had two mentors that shared two thoughts – “Take responsibility for what you want to see happen,” and “There’s always room for improvement.” Throughout my career, and certainly during my brief tenure as the Kimberly City Administrator, I have kept these thoughts in mind. Kimberly is a growing and changing city. Having the Chobani plant as our next door neighbor has had, and will have, a dramatic effect on the future of the City of Kimberly.

Along these lines, one thing that I have noticed is that less than five percent of our city’s population is involved in community leadership. There are so many areas and projects to be involved in as a volunteer: Kimberly Business Owners Association, Kimberly School District, Rock Creek Fire District, Kiwanis and Lions service clubs, Good Neighbor Day committee, Operation Facelift project, Downtown Revitalization Project, Comprehensive Plan review and implementation, and so much more.

I’m sure that each of you have ideas where there is need for improvement in various aspects of our community. I invite you to take responsibility for what you want to see happen and volunteer in the area where you can best serve.

By being the person to contact in this regard and putting you in touch with the right person (s), I will take responsibility for what I want to see happen. Please call me at City Hall at 423-4151 x 16, or e-mail me at lhall@cityofkimberly.org.

Pleased with the prospects,

Larry D. Hall, City Administrator
