City of Kimberly Now Offers Online Bill Payment

As a way to offer you more choices in how you pay your bills, City of Kimberly now lets you pay your bills online. We have partnered with Xpress Bill Pay, the premier provider for online bill payment systems.

All you need is an Internet connection through a Web browser and an e-mail address. Once you sign up for your free account and start using this service, you'll wonder how you ever got along without it!

It's simple to use. Every month we'll send you a reminder e-mail to let you know when your bill is online. Then you just log in to your account at XpressBillPay.com and view your bill. It's formatted like your paper statement so it will look familiar to you.

You can also see up to a full year's history of your account online, so you can compare your current bill to a year ago.

When you're ready to pay your bill, select a payment type. You can pay with credit card, debit card, or electronic funds transfer. Then enter the information and you're done! It's that easy, and it only takes you a few minutes each month.

We offered this service at the request of our customers — You asked and we delivered! To sign up, just go to www.cityofkimberly.org and click on the Online Payment Button which will direct you to www.xpressbillpay.com and follow the instructions there. (You will need your account number to sign up and if you encounter problems xpressbillpay customer service is there to help you!)

And remember, it's free to sign up and free to use. Sign up today!!!!

Kimberly Enhancement Plan Community Survey

In Partnership with the City of Kimberly, a group of Kimberly area residents has recently formed the Kimberly Enhancement Team. The purpose of the Team is to make Kimberly an even better place to live for you and your family. This will be a community-driven effort with opportunity for participation by anyone in the community. Beyond basic city infrastructure such as roads and utilities, the Team is focusing on enhancements to the community that will improve the quality of life for you and your family. The first step is to learn about what you would like to see available in the community that would "make you want to stay in Kimberly after work". After the results of the surveys are organized, a community meeting will be held later this fall to present the results and organize the next steps for action.

Pick up copy of survey from Kimberly Businesses or from the Kimberly City Hall or take the Survey on line at <http://www.surveymonkey.com/s/NKXTM8N>.
