Other Complaint Procedures

All individuals have a right to a prompt and equitable resolution. Individuals or classes of individuals who believe they have been subjected to discrimination based on disability have several ways to file a grievance.

- Use the grievance procedure provided by the City
- File a complaint with an agency that provides funding to the City
- File with one of the eight Federal agencies designated in the Title II regulations

Under Title II, filing a grievance with the City's ADA Coordinator, filing a complaint with a Federal agency or filing a lawsuit may be done independently of the others. Individuals are not required to file either a grievance or complaint to bring a lawsuit. Lawsuits may be filed at any time. The following are four of the eight agencies where a Title II complaint can be filed:
