- A. **DISCUSSION-ACTION ITEM** – Council to consider and adopt a resolution setting forth our respect for, and support of constitutional rights in the City of Kimberly. *Mayor Davidson – Tim Stover*

Tim Stover-There have been a couple of different Resolutions floating around the Valley and throughout the State about the 2nd Amendment issues. There's one that has been passed by I believe Hagerman and Gooding that I've seen and reviewed and I'm not in support of myself. This one is different, it doesn't talk about whether or not we are going to appropriate funds to the Police Department to do things or not do things, which could get us into messes down the line. This one, unlike some of the other ones, doesn't need to set a presidency for any other cause somebody may have. This is simply making a statement that for the City of Kimberly, it is in support of the Constitution on of The United States and the rights that go along with it, including the 2nd Amendment. I am okay with this Resolution.

Mayor-It does specify in there all the Amendment's as well.

Tim-It even states religion, the 4th Amendment right, it's all in there.

Mayor-It's a complete Constitution.

Tim-There's a bit of a focus on the 2nd Amendment, but its comprehensive.

Mayor-Craig, do you have anything to add?

Craig-No, its Resolution #372, and I will fill that in. I apologize for that; it is on your agenda.

Duncan-Well I see this as slightly redundant. When we all swore in to be on this counsel, we swore to uphold the Constitution. So, I see this as redundant. I don't have an issue with it, its just that we are already swore in to do it.

Mayor-It does also cover the United States Constitution, and it does also cover the Constitution of the State of Idaho.

Eisenhower-I agree with you Nancy, but I guess in todays age we have to really cover these things.

Mayor-We will call for a motion later.
